For the purposes of the Data Protection and Privacy Act (Chapter 586 of the Laws of Malta) and of the Data Protection General Regulations (Regulation [UE] 2016/679 of the European Parliament and Council), the Masons Board declares that the above personal data is being collected, kept, and processed by the Masons Board, and/or by the entities within the Building and Construction Authority, for the legitimate purposes of the Masons Board and/or of the entities within the Building and Construction Authority, for a period of time that the Board deems appropriate for promotions or advertising of the Masons Board, and/or of the entities within the Building and Construction Authority, for the purpose of direct contact with the data subject, for any research or collection of data carried out by the Masons Board and/or by the entities within the Building and Construction Authority, and for other similar, relative, or ancillary purposes, whether electronically or otherwise. The Masons Board declares the data that it and/or the entities within the Building and Construction Authority, collect, keep, and process, may also be used or processed by Masons Board members for the same above-mentioned purposes. The collected data is kept by the Masons Board for a (10) ten-year period, then renewed for another ten (10) years with however the data subject having the right to call for the deletion of the details of the subject by the Masons Board and/or from every or whatever entity within the Building and Construction Authority. The request by the subject of the data must be addressed to the Data Protection Officer.
