Data Protection Clause:

In terms of the Data Protection Act (Chapter 440 of the Laws of Malta), the Building and Construction Authority will process any personal and/ or sensitive data supplied on/ in this application, form or subsequently supplied by yourself, whether orally or in writing, for all or any of the following:

The proper processing of your application;

1. Preventing, detecting and/or prosecuting fraud and any other criminal activity which the Department is bound to report and/or act upon whilst meeting any other specific legal or regulatory obligations;
2. Establishing, exercising or defending any legal action;
3. Internal management, research and statistics, systems administration, the development and improvement of our services;
4. The protection and promotion of our legitimate interests and the proper conduct of our obligations arising under any law or statutory instrument; and
5. To make public the necessary information as specified in the relevant law and/or instrument.

Relevant data will be disclosed or shared as appropriate with all our employees and with other third parties if pertinent to any of the purposes listed above.

Every field on the form is mandatory. Should you fail to fill in any mandatory field, we reserve the right to refuse the application. Should any field be inapplicable to your particular circumstances please mark that field with the letters "N/A".

You have the right to require that we provide you with access to your personal data as well as the right to rectify, or, in appropriate circumstances, erase any inaccurate, incomplete or immaterial personal data which is being processed. However, you are required to inform us immediately of any alterations relating to your personal data which we are processing.

By signing this form, you confirm that you are giving your explicit consent, in terms of the Data Protection Act, on behalf of yourself for the Authority to process your respective personal information as outlined above.

We undertake to implement appropriate measures and safeguards for the purpose of protecting the confidentiality, integrity and availability of all data processed.
